FEATURING
• Comprehensive pediatric spine lectures
• 10 hours of cadaveric labs

ENDORSED BY:

PRESENTED BY:
Dear Colleague:

Focusing on pediatric spine surgery, the meeting provides expert lectures and more than 10 hours of cadaveric labs. This comprehensive program addresses the spine from the cervical spine to the sacrum, and covers all major spinal disorders. With registration capped at 32, participants can enjoy extensive faculty interaction, covering topics from specific surgical questions to career advice.

As space will fill rapidly, you’re encouraged to register as soon as possible for the 6th International Children’s Spine Symposium.

SUPPORTED WITH A GRANT BY:

OrthoPediatrics Foundation for EDUCATION & RESEARCH

Meeting Objectives

At the conclusion of the program, surgeons will be better able to:

1. **Describe** key anatomic structures relevant to pediatric spinal surgery at all levels of the spine.

2. **Summarize** the rationale, indications, and techniques associated with surgical procedures utilized in pediatric spinal surgery.

3. **Demonstrate** familiarity with the steps involved with multiple pediatric spine surgery techniques at all levels of the spine.

Full disclosure of all financial support will be made at the meeting.

CME

**JOINT PROVIDERS**
This activity is being provided by Orlando Health and BroadWater, LLC.

**CME ACCREDITATION**
This activity has been approved for AMA PRA Category 1 Credits™.

**DISCLOSURE POLICY**
It is the policy of Orlando Health to ensure balance, independence, objectivity, and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

Travel Grants for Senior Residents & Fellows

Grants of up to $600 for travel expenses are available for a small number of senior residents and fellows who plan to include pediatric spine surgery in their practices. Contact Nancy Henkel (see page 7 for contact info) for application details. Applications must be received by January 14, 2020.
# Program

**FRIDAY, MARCH 13, 2020**

## 9:15 AM SESSION 2: Early Onset Scoliosis

**The truth about EOS: Challenges and outcomes**

- My ideal patient for:
  - Rib to pelvis
  - Growing rod
  - Tether

**9:45 Keynote by George Thompson, MD**

**10:05 Refreshment break**

## 7:00 AM Shuttle departures from The Ritz-Carlton Orlando, Grande Lakes to lab

## 7:30 Registration and continental breakfast

## 7:55 Welcome and opening remarks

## 8:00 AM SESSION 1: Idiopathic and Congenital Scoliosis

**AIS: Choosing fusion levels without making mistakes**

**Obtaining better curve correction intraoperatively**

(Ponte osteotomies and reduction techniques)

**Non-resection techniques in congenital scoliosis**

- Hemivertebrectomy in congenital scoliosis

## 9:15 AM SESSION 2: Early Onset Scoliosis

**The truth about EOS: Challenges and outcomes**

- My ideal patient for:
  - Rib to pelvis
  - Growing rod
  - Tether

**9:45 Keynote by George Thompson, MD**

**10:05 Refreshment break**

## 10:20 AM SESSION 3: Pediatric Cervical Spine

**The anatomical minefield**

- Cervical approaches, indications and techniques:
  - Occiput to C2 fusion

**Subaxial fusion with instrumentation**

- Anterior options
- Anterior surgical technique video

**11:30 Proceed to lab**

## 11:40 AM SESSION 4: Cadaveric Technique Lab

**LAB #1: Thoracic and lumbar instrumentation with pedicle screws. When and how to use hooks. Anatomical landmarks, tips on fluoro, differential contouring, Ponte osteotomy. (Advanced and Intermediate)**

**11:55 Hands-on**

**12:55 PM Lunch**

**1:40 LAB #2: Early onset surgery. Expandable rib fixation, plus growing rod construct and magnetic distraction rods.**

**3:35 LAB #3: Complex cervical deformity correction**

**5:30 Adjourn**

**5:35 Shuttle returns to The Ritz-Carlton Orlando, Grande Lakes**
Program

SATURDAY
MARCH 14 2020

7:00 AM Shuttle departures from The Ritz-Carlton Orlando, Grande Lakes to lab
7:30 Registration and continental breakfast

8:00 AM SESSION 5: The Lumbo-Sacral Junction
When and how to correct and fuse spondylolisthesis
The L-S junction in neuromuscular conditions: Extending fusions to the pelvis

8:30 AM SESSION 6: Neuromonitoring
Basics of neuromonitoring in AIS
Monitoring in rare situations: EOS and cervical surgery

8:30 AM SESSION 7: Syndromic Scoliosis
Management of the thoracolumbar spine (Marfan’s, etc.)
Management of cervical conditions (Downs, Dysplasia, etc.)
Vertebral column resection: Why and when
10:05 Refreshment break, proceed to lab

10:20 AM SESSION 8: Cadaveric Technique Lab
LAB #4: Lumbo sacral fixation. Sacro-iliac screws, fixation to L4, reduction techniques

11:30 Lunch
12:15 PM Return to lab

2:00 LAB #5: Sublaminar instrumentation techniques in the thoracolumbar spine. How to extend to the pelvis. Iliac screws.
LAB # 6: Vertebral column resection with anterior cage

3:45 Adjourn
4:00 Shuttles to The Ritz-Carlton Orlando, Grande Lakes and Orlando International Airport

Program Subject to Change
Meeting Overview

Meeting
The University of Central Florida
College of Medicine Bioskills Lab
ORLANDO, FL

Shuttles
A shuttle will take participants to and from the hotel and lab daily.

Cancellation Policy
In the unlikely event of insufficient enrollment, we reserve the right to cancel the course up to 21 days prior to the course. Registrants will be notified by certified mail and registration fees will be refunded. Airline and other costs incurred by the registrant are the responsibility of the registrant and will not be refunded.

Attendance
The course chairmen reserve the right to refuse admission to anyone whose presence is considered to be incompatible with the course objectives.

Registration

Fees

> Surgeons: $745
> Senior Residents / Fellows: $545

Registration includes breakfasts, lunches, meeting materials, scientific sessions, and labs.

REFUND Policy:
A $200 administrative fee will be reduced from all refunds. If written notice requesting a refund is not received by February 12, 2020, refunds will not be processed.

To Register Go To:
broadwater.regfox.com/ICSS2020
Hotel Accommodations

Hotel
The Ritz-Carlton Orlando, Grande Lakes and the JW Marriott Orlando, Grande Lakes
ORLANDO, FL

We have a block of rooms at the following hotels (the two properties are connected):

The Ritz-Carlton Orlando, Grande Lakes
Room Rate: $319 (plus daily resort fee and tax)

The JW Marriott Orlando, Grande Lakes
Room Rate: $299 (plus daily resort fee and tax)

Reservations for both hotels can be made by calling (800) 266-9432. Please indicate you are with the Children’s Spine Meeting to receive the discounted rate. Please note the shuttles will depart from The Ritz-Carlton. Reservations at the group rate may not be available after February 19, 2020.
