

# The State of Spine Surgery Investment and Innovation Summit

Wednesday, June 22 | 2:15 pm–6:45 pm

Preceding the State of Spine Surgery Think Tank — June 23–25, 2022

**REGISTER TODAY!**

The JW Marriott Los Cabos  
Beach Resort & Spa  
San Jose del Cabo, Mexico

Since the early 2000's, *The Annual State of Spine Surgery Think Tank* has attracted world-renowned spine surgeons and business leaders for three days of lively discussions. The program candidly addresses new surgical techniques and technologies plus trends in the "business of spine." This year's event will also feature the launch of an afternoon pre-course: ***The State of Spine Surgery Investment and Innovation Summit***.

This ½ day Summit will provide a deep dive into the future management of spinal conditions with an emphasis on innovative technologies. The program will include **six, early-stage companies presenting their products, growth plans, and investment needs to an audience of VCs, investment bankers, "Strategics," and surgeon-investors.**
