

## CME ACCREDITATION & GENERAL INFORMATION

20<sup>th</sup> Annual Meeting of KASS | July 10–12, 2025 | Huntington Beach, CA, USA

### Purpose of the Program

To update spine surgeons on the latest advances in spine surgery

### Educational Objectives

As a result of this activity, the participant should be better able to:

- Discuss the fundamentals of fixation in spine surgery
- Discuss the basics and the variety of surgical techniques in spine surgery including arthroplasty and fusion and cervical and lumbar decompression
- Evaluate and navigate common challenges for spine surgeons in practice management and insurance
- Discuss the adaptation, implementation, and limitations of endoscopic spine surgery

### Who Should Attend?

Orthopaedic and neurological surgeons, fellows, and residents who include spine surgery in their practice

### Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and the Korean American Spine Society (KASS). MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Physician Credit

Medical Education Resources designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Joint Providership

This program is jointly provided by Medical Education Resources, Inc. and the Korean American Spine Society (KASS).

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### Commercial Support

Various medical companies have been invited to support this course. Full disclosure of financial and other support will be disclosed in the course syllabus materials.
