

CME ACCREDITATION AND GENERAL INFORMATION

Summer Spine Symposium | July 17–19, 2025 | Park City, Utah, USA

Purpose of the Program

To provide participants with a comprehensive and interactive update on the latest surgical techniques and treatments in the field of spine surgery.

Educational Objectives

As a result of this activity, the participant should be better able to:

- Discuss indications, treatment options, and outcomes in spine cases including: cervical and lumbar degenerative, adult deformity, trauma/tumor, and pediatric spine.
- Describe strategies for prevention and management of complications associated with spine surgery.
- Discuss new surgical techniques and technologies in the field of spine surgery.

Who Should Attend?

Orthopedic and neurological spine surgeons.

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and BroadWater. MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Credit

Medical Education Resources designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Joint Providership

This program is jointly provided by Medical Education Resources, Inc. and BroadWater, LLC.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Commercial Support

Various medical companies have been invited to support this course. Full disclosure of financial and other support will be disclosed in the course syllabus materials.

Disclaimer

The content and views presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources, the Safety in Spine Surgery Project, BroadWater, and/or BroadWater, and/or supporting companies. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. The opinions expressed in this educational activity are those of the faculty and do not necessarily represent the views of Medical Education Resources, the Safety in Spine Surgery Project, BroadWater, and/or supporting companies. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of an ineligible company.

If noted, the relationships are disclosed as follows:

- (A) Grants / Research Support
- (B) Consulting Fees (e.g. Advisory Boards)
- (C) Speakers' Bureau
- (D) Ownership Interest / Shareholder
- (E) Salary
- (F) Royalty / Patent Holder
